Our Mission

The mission of Vikingskolen is to promote the Danish language, culture and traditions for children and adults in the Houston area who wish to learn/improve their Danish regardless of current proficiency.

About Us

Why a Danish School in Houston? Houston has a large Danish community. Many of us want to keep the Danish language, traditions and culture alive and teach these to our family and friends. With our hectic schedules and individual circumstances, this is a real challenge, whether our separation from Denmark is temporary or permanent.

What We Offer?

Our stories are all different. However, we believe in having fun while learning or maintaining the Danish language and we provide lots of crafts and playtime; We attempt to only speak Danish in school; We engage active and involved parents and volunteers while providing the opportunity for Danes to meet and make friends with other Danes and Americans.

We are a non-profit organization offering classes taught by Danish-speaking teachers and volunteers. Visit our website for exciting job opportunities.

Our Programs

We provide programs for the following age groups:

- 3-4 years (Børnehave)
- 5-7 years (Børnehaveklasse)
- 7 years and up
- Danish for adults

Registration & Pricing

The school year starts mid September and ends end of April with two semesters totaling 24 weeks. 12 Saturdays in the Fall and 12 Saturdays in the Spring with breaks following the public school system.

Registrations are accepted prior to each semester. Students are signed up for the full or remaining school year with the option of full or per semester payment. Please visit our website for pricing, school calendar and schedule. You'll also find information about tuition discounts for family enrollments and committing as assistant teachers and more.

Our Schedule

Classes are held on Saturday mornings from 9:30 till 11:30AM. Optional breakfast at 9:00AM with family. Library time is from 11:30 - 11:45AM.
